Join Us.

The **Greater Atlantic City Concierge Association** is an elite organization made up of Concierge and Hospitality business-people alike. Our members have access to a wide variety of networking possibilities as well as the ability to build and establish enjoyable social contacts.

Networking Opportunities!

We strive to create a professional backbone for the city and the people we serve, and we seek to promote the best of our community in order to improve the tourism in our area. Our main drive is to create a better understanding of the Concierge and to develop more cooperation among Atlantic City's business and cultural organizations.

Making a difference!

Every year the GACCA and the CRDAF (Casino Reinvestment and Development Authority Foundation) team up to distribute scholarships for education in the hospitality industry with scholarships available to students attending Richard Stockton University, Atlantic Cape Community College and Fairleigh Dickinson University.

Purpose of Program

- To acknowledge and reward academically successful students who have chosen a field of study related to the hospitality and tourism industry.
- To grant scholarships to students enrolled at selected colleges based on specific criteria.
- To acknowledge students who excel in academic life, chosen the hospitality industry, and demonstrate a unique ability to reach out to others through personal initiatives.
